

## Tom Sanderson, CEO

### “Regulatory Impacts on Shippers, Carriers and 3PLs”

Tom Sanderson will talk about the impact of hours-of-service, CSA/SMS, cross-border trucking, and highway funding on the movement of freight in the U.S.

Tom Sanderson is CEO of Transplace. Since 2003, he has led the company to substantial success and continued growth. Under Mr. Sanderson’s leadership, Transplace launched Consulting, Freight Services, International and Mexico subsidiaries, extending the company’s comprehensive services for its customers. In addition, he has led the company to achieve dozens of industry awards. In 2009, Transplace was awarded with the Global Logistics and Supply Chain Strategies “100 Great Supply Chain Partners” distinction for the sixth consecutive year and by Supply & Demand Chain Executive as a “Top 100” provider in supply chain transformation for the fourth consecutive year. Transplace was recognized by Inbound Logistics as a Top 10 3PL for the eighth consecutive year and honored with the EPA’s SmartWay Environmental Excellence Award for making significant contributions to protect the environment. In 2005, he implemented Lean Six Sigma achieving millions of dollars per year in savings for Transplace and its customers. Mr. Sanderson has an MBA from Indiana University.
